### **Welsh Refugee Council Supports Conference on Refugee Rights and Realities in Wales**

The Centre for Migration Policy Research (CMPR) at Swansea University, supported by the Welsh Refugee Council (WRC), is holding a one-day conference on Refugee Rights and Realities in Wales.

The conference will bring together policy makers, practitioners and academics to explore – and better understand – the experiences of refugees and asylum seekers living in Wales.

Delegates will learn about the refugee experience in Wales, from the asylum process to public attitudes. Plenary speakers from government and voluntary sector agencies will focus on policy and practice, while seminars will focus on the realities of being a refugee in Wales.

For more information on the conference, or to book a place, download the conference flyer [here](#).
